

Media Release Form 2016 – 2017 School Year

On occasion, The Ivymount Outreach Program may wish to include photographs, images, likenesses, video/audio recordings or statements of participating students and/or participating student artwork/classwork in public relation materials (including but not limited to brochures, annual reports, newsletters, or advertisements) and/or the website or other social media, or for staff training created and maintained by The Ivymount Outreach Program in connection with Outreach programs or events for the purpose of educating the public about our programs, and in training materials. In this use, a student's full name, address, and biographical information will not be made public. We require written permission and release for this use. **Please note: it is extremely helpful to Ivymount Outreach to have the use of student photographs in our communication and training materials.**
